VOICES FOR EDUCATION is a local group promoting a sense of community in Manning and surrounding areas. The group has developed an exciting **Family Fun Night** at the Manning Community Health Centre (late November) and has held a **Duck Race** in partnership with the Royal Canadian Legion Branch 139. All funds raised enables Voices for Education to help create opportunities in the community through partnerships and funding supports. Non profits and under 18's are encouraged to discuss innovative educational opportunities that involve youth. We want to reduce barriers to youth participation in arts, education and culture. Drop us a letter with your ideas and requests. Mail it to: VFE, Box 837, Manning, AB T0H 2M0 or see our website for further information www.voicesforeducation.ca
