VOICES FOR EDUCATION is a local group promoting a sense of community in Manning and surrounding areas. The group commits to two main events each year: Family Fun Night at the Manning Community Health Centre (late November) and the Duck Race (held each July in partnership with the Royal Canadian Legion Branch 139. Funds raised at these two events enables Voices for Education to help create opportunities in the community through a variety of partnerships and funding supports. Non profits are encouraged to apply for funding for innovative educational opportunities that involve youth. Students under 18 years of age can apply for bursaries to attend learning opportunities including summer camps, leadership programs and more! See our website for further
